

NPGH LEADERS Application 2023-2024

Thank you for your interest in the Northern Pacific Global Health Leadership, Education, and Development for Early-career Researchers (NPGH LEADERS) Program.

Please complete the application below. Applications are due November 1, 2022 by 5pm Pacific Daylight Time.

You may only apply to one Fogarty LAUNCH consortium.

Please visit <http://fogartyfellows.org/apply/> for full eligibility criteria.

You do NOT need to complete the entire application at one time; you may stop and return at a later time to complete it.

NOTE: In order to return to this survey, you will need the survey link provided when you chose the "SAVE & RETURN LATER" option.

If you do not keep record of the survey link, you will need to start a new application.

CONTACT INFORMATION

First Name:

Middle Name:

Last Name (Surname):

Please provide the address at which you currently reside.

Street Address

City

State

Country

Zip Code

Is your permanent address different than the address provided above?

Yes
 No

Permanent Address _____

Email Address _____

Telephone Number _____

Citizenship

Are you a U.S. citizen or permanent resident? Yes No

Country of citizenship _____

Education/Field of Study

In July 2023, will you be a predoctoral (not yet completed terminal degree; current PhD, DVM, MD, MMed student) or postdoctoral (completed terminal degree within the last 5 years) candidate? Predoctoral Candidate Postdoctoral Candidate

Date terminal degree received or expected (MM-DD-YYYY) _____
(Please visit <http://fogartyfellows.org/apply/> for full eligibility criteria for U.S. candidates.)

Date terminal degree received or expected (MM-DD-YYYY) _____
(Please visit <http://fogartyfellows.org/apply/> for full eligibility criteria for LMIC postdoctoral candidates.)

What are your current credentials (DDS, DVM, MD, PhD, etc.)? Please provide all. _____

What is the discipline/specialty of your most recent/current degree (public health, internal medicine, epidemiology, etc)?

- Allergy & Immunology
- Biostat/Epidemiology/Bioinformatics
- Cardiology
- Dermatology
- Environmental Health
- Genetics
- Geriatrics
- Health Economic
- Hematology
- Infectious Diseases
- Metabolism/Endocrinology/Nutrition
- Neurology
- Oncology
- Ophthalmology
- Pediatrics
- Psychiatry
- Rheumatology
- Surgery/Emergency Medicine/Trauma
- Other

Please specify discipline/specialty.

Current professional title, department, and institution.

What is your current professional title?

What is your current department?

What is your current institution?

Provide a brief background on your education and training (specialty)

(e.g. Trinity University: BS Biology 2005; Boston University: MD 5/2014; Indiana University: Internal Medicine Residency 6/2018; University of Washington: Infectious Diseases Fellowship (ongoing))

Affiliation

With which U.S. Institution are you affiliated?

- University of Hawai'i
- University of Michigan
- University of Minnesota
- University of Washington
- Indiana University
- Other

Please specify the U.S. institution with which you are affiliated.

To which research site you are applying (limit one)?

- Cameroon-University of Yaounde
- Ghana-Dodowa Health Research Center
- Ghana-Komfo Anokye Teaching Hospital
- Ghana-Korle Bu Teaching Hospital
- Ghana-Kwame Nkrumah University of Science and Technology
- Ghana-Navrongo Health Research Center
- Ghana-University of Ghana
- India-Jawaharlal Nehru University
- India-Manipal Academy of Higher Education
- Kenya-Kenya Medical Research Institute
- Kenya-Kenyatta National Hospital
- Kenya-Moi University
- Kenya-University of Nairobi
- Liberia-University of Liberia
- Nepal-Kathmandu University (Dhulikhel Hospital)
- Nepal-Nepal Cleft and Burn Center (Kirtipur Hospital)
- Peru-Asociación Civil Impacta Salud y Educación
- Peru-Instituto Nacional de Ciencias Neurologicas
- Peru-Universidad Nacional Mayor de San Marcos
- Peru-Universidad Peruana Cayetano Heredia
- Peru-US Naval Medical Research Unit - 6 Peru
- Thailand-Chiang Mai University
- Thailand-Chulalongkorn University
- Thailand-Mahidol University
- Thailand-Thai Red Cross AIDS Research Centre
- Uganda-Global Health Uganda
- Uganda-Mbarara University of Science and Technology
- Uganda-Makerere University (Infectious Diseases Institute)
- Uganda-Mulago Hospital
- Uganda-Uganda Cancer Institute

What is your skill level in the language of your proposed host country (note: language skills are not a requirement of our program)?

- Native speaker
- Advanced
- Intermediate
- Beginner
- No experience

Funding

We look for opportunities to leverage other funding and resources, so please make sure to disclose any other sources (or potential sources) of funding that you may receive during your fellowship year.

If you have been funded by the Fogarty Global Health program previously, please contact Roopa Sriram ghfmgr@uw.edu for eligibility approval.

Do you anticipate any potential co-funding for your fellowship year (e.g. T32 fellowship, institutional funding, in kind support, or other grants or fellowships to which you are applying)?

- Yes
- No

Please describe:

Have you previously received an NIH Career Development or Research Grant (GRIP, K Award, R01) as Principle Investigator or Co-PI?

- Yes
- No

Please describe:

Are you reapplying to the NPGH Consortium?

Yes
 No

If yes, please describe how this application is different from your previous submission.

Title of research project

Title of research project

REQUIRED DOCUMENTS

Download the following Word document and upload completed essays below. Please upload essays as a Word document.

[Attachment: "Application_NPGH_Essays_2023-2024.docx"]

APPLICANT ESSAYS

Upload your completed essays in Word document format (do not submit as a PDF).

Please note the word and page limits for each essay. Essays will not be reviewed if they are over the designated word limit or if they do not comply with formatting requirements.

TENTATIVE BUDGET

Upload a budget for your proposed study.

Note that funding is limited to \$7,500 for U.S. pre-doctoral applicants and \$10,000 for U.S. & LMIC post-doctoral applicants. If your budget is higher than the amount available, please indicate the source of additional funding.

NIH-STYLE BIOSKETCH

Upload an NIH-style biosketch.

Please make sure you submit your biosketch on the most updated NIH template. To download a template, please go to the NIH website: <https://grants.nih.gov/grants/forms/biosketch.htm>. You may submit any version of the NIH biosketch; many applicants prefer the "fellowship" version.

ACADEMIC TRANSCRIPT

Upload your most recent transcript. Unofficial transcripts are acceptable.

RESEARCH PUBLICATIONS, CONFERENCES/ABSTRACTS

Enter the number of research publications that you have published or that are currently accepted/in press (do not include publications under review or in preparation) _____

Enter the number of research publications that you currently have under review. _____

Enter the combined number of conference presentations and abstracts that you have had accepted _____

MENTORSHIP TEAM / LETTERS OF SUPPORT

Please provide information below regarding your mentors. Letters of support can be uploaded here or emailed directly to ghfmgr@uw.edu.

Two letters of recommendation are required. One letter should come from a mentor at a U.S. institution within our consortium and one letter from a mentor at the international partner site you are applying to. A third letter is optional and can come from another mentor or someone outside your mentorship team. No more than three letters of support should be submitted.

Note for LMIC Fellow Applicants: Letter from U.S. mentor should explicitly mention approval of the applicant's proposed U.S. short-term training plans.

U.S. Mentor Name _____

U.S. Mentor Affiliation University of Hawai'i
 University of Michigan
 University of Minnesota
 University of Washington
 Indiana University

U.S. Mentor email address _____

U.S. Mentor NIH Biosketch

(Biosketch Template: <https://grants.nih.gov/grants/forms/biosketch.htm>)

Letter of Support I have a letter of support from my U.S. mentor to upload
 My mentor will email a letter of support to ghfmgr@uw.edu
(Note for LMIC Fellow Applicants: Letter from U.S. mentor should explicitly mention approval of the applicant's proposed U.S. short-term training plans.)

Upload U.S. Mentor Letter of Support

Research Site Mentor Name _____

Research Site Mentor Affiliation

- Cameroon-University of Yaounde
- Ghana-Dodowa Health Research Center

Research Site Mentor NIH Biosketch

(Biosketch Template: <https://grants.nih.gov/grants/forms/biosketch.htm>)

Letter of support

- I have a letter of support from my Research Site Mentor to upload
- My mentor will email a letter of support to ghfmgr@uw.edu

Upload Research Site Mentor Letter of Support

Do you have an additional letter of support to upload? (optional)

- Yes
- No

A third letter is optional and can come from another mentor or someone outside your mentorship team. Note that no more than three letters of support should be submitted in total.

Provide the full name, affiliation, and email address for the individual providing your optional letter of support

Upload optional letter of support

Enter the names, affiliations, and email addresses of any other members of your Mentor Team

I grant permission to the Fogarty Program to contact these individuals about my application and my previous professional experiences and conduct.

- Yes
- No

Upload a photo of yourself in .png or .jpg format.

This will be used for a trainee biography book distributed at orientation.

ADDITIONAL APPLICANT INFORMATION

In order to track the effectiveness of our recruiting efforts and ensure we consider the needs of all our trainees, please consider the following optional questions.

We do not discriminate on the basis of race, color, creed, religion, national origin, citizenship, sex, pregnancy, age, marital status, sexual orientation, gender identity or expression, genetic information, disability, or veteran status.

Note: This information will not be included in the review of your application.

Gender

- Male
- Female
- Non-binary
- Prefer to self-describe
- Prefer not to say

Gender, self-describe

Birth Date

Race/Ethnicity (please select your primary self-identification)

- Do not wish to identify
- American Indian or Alaska Native
- Asian
- Black or African American
- Hispanic or Latino/a/x/e
- Native Hawaiian or Other Pacific Islander
- White or Caucasian
- Other Racial or Ethnic Self-identification
- Prefer Not to Answer

Do you qualify as an individual from an underrepresented population or disadvantaged background, as per the following NIH definition: <https://grants.nih.gov/grants/guide/notice-files/NOT-OD-20-031.html>? (Please read through the NIH definition prior to answering this question to accurately determine if you meet the provided criteria.)

- Yes
- No

How did you hear about the program?

- Email from mentor/colleague
- Heard about it from an alumnus or current fellow
- Internet search
- Website
- Dean or professor
- Conference
- Other

If other, please describe:
